Marian Manor Christmas Parade "Honking in the Holidays"

The excitement started as we prepared for our Marian Manor Christmas Parade: "Honking in the Holidays." Many residents enjoyed the event while seated outside (socially distanced), while others watched the event through their apartment windows.

With retired TV news anchor Joe Flanagan as the emcee, the parade kicked off with Virginia Beach City Mayor Bobby Dyer and Leigh Henderson, City Treasurer, in the lead car. Following were resident family members in their decorated cars, members of the Cape Henry Model A Car Club, EMS first responders, the Virginia Beach Sheriff's Department, and Fire Station #7 members. Then came nuns from St. Gregory the Great in a golf cart, followed by a host of other vehicles.

The Virginia Voices International Choir serenaded our residents and parade participants with beloved Christmas carols, and we even had special appearances from Frosty the Snowman and Santa and Mrs. Claus!

Thirty-one vehicles participated in the parade to bring joy to our residents and compete to see who would win the most votes for best-decorated vehicle. Votes were cast on Facebook and the winner was announced on Christmas Eve: Congratulations to David Hendricks and his Christmas tricked-out Harley!

Fire Station #7 joined the festivities and enjoyed songs from Virginia Voices International.

Saying Farewell to Two Marian Manor Originals

The last of Marian Manor's original employees, Lelia Haskins and Honesto Rosantino (a.k.a. "Rosie"), have retired.

Lelia, a CNA/RMT, retires after over 31 years of faithful service. She cared for over 1,000 residents, and was only out of work sick one, yes one(!), day due to a car accident. Now that's dedication! A farewell pot luck was held in her honor. Our staff, residents, and their families will miss Lelia, but we wish her many blessings in her adventures ahead. She will always remain a part of the Marian Manor family.

After 31 years and 1,000 residents, Lelia Haskins, CNA/RMT, retires from Marian Manor. Pictured here: Lelia and Karen Land, Executive Director. Note: Mask removed briefly for photograph.

We salute Chef Rosie for over three decades of dedication. He has been a part of the Marian Manor family since before our doors even opened.

After 31 years of dedicated service, Rosie has also retired his chef hat to relax and spend time with his family. Following his military service in the Navy, Rosie worked as part of the construction crew that built Marian Manor. He was one of the original employees hired as a cook. Marian Manor will miss him and all the delicious meals he provided over the years – especially his scrumptious homemade soups. Godspeed good and faithful friend!

A Reason to Smile The COVID-19 Vaccine is here!

For a Brighter Tomorrow

The COVID-19 vaccine has arrived, and we are thrilled that our residents and staff were among the first to have the opportunity to receive it! The health and safety of those in our community has always been our top priority, and we are overjoyed thinking of the peace of mind that will come with the vaccine's protection.

Our first vaccination clinic was held on January 27 and our second was held February 17. Throughout the community, we received an overwhelmingly positive response from residents and family members. They have responded as this generation always has, by setting a good example: 98% of our residents have already received the vaccine. It is a great privilege to do our part by participating in vaccination clinics and we are proud to be a part of this scientific achievement.

Vaccination clinics at Marian Manor are administered by CVS through the Pharmacy Partnership for Long-Term Care Program, which was created by the CDC. Staff and residents will not incur any costs to receive the vaccine. Those with questions and concerns about the vaccine were grateful for the educational resources we have provided on the development, clinical trials, efficacy, and safety of the COVID-19 vaccines. That information is also available on our website: marian-manor.com/vaccine.

Magical Moment!

Even during a global pandemic, a memorable moment can be made through a window. Residents Harold and Marianna Price attended their son's wedding held at Marian Manor. Our team was happy to assist in making this special day a reality through our Wishing Well Project, which helps make the dreams of our residents come true. The bride and groom traveled from Georgia to exchange their vows in front of immediate family. The gathering was safe and intimate, with only parents and siblings attending. Witnessing the joy this brought to the family's faces was very touching. As Marianna simply stated, "It was magical." Congratulations to the bride and groom, Phillip and Emily Price.
